Leipsic Fireman Aaron Tussing and his wife Kelly found out that their 3rd child, Evelyn, has Cystic Fibrosis (CF) at 10 days old. CF is a progressive and fatal disease that mainly affects the lungs and digestive system. Donations benefit The fight against Cystic Fibrosis. For more information on events visit www.leipsicchamber.com/ and/or email Kelly Tussing, aktussing@metalink.net.

The entrant, by accepting the right to participate, does hereby release The Leipsic Volunteer Fire Department and Village of Leipsic, organizers, sponsors and anyone else connected with the Fall Festival Fire Truck & Car Show from any and all known or unknown damage, injury, losses, judgments and/or claims suffered by entrant or his property. Participants assume full responsibility for their vehicles and safety.
